

# Now's the time to... *RUN!*

## Sat 22 & Sun 23 August 2020

42.2km | 21.1km | 10km | 5km | 2km

## RACE DIRECTOR NEWS MARCH EDITION #1

Congratulations to everyone who set themselves a goal for 2020 and entered during our Goal-Setter Sale. We are off to a great start.

I hope everyone is fit and well and your training is on point at this stage. Like you, we are busy preparing for our Running Festival (now only 5 months away!).

We are looking forward to welcoming new and past participants to our wonderful home course, centered around Victoria Park Lake and the pathways along the river amongst the red gums.

Whilst everything is on track to deliver another quality event for you - our athletes, your health and safety is also our main priority.

To that end, the event organising committee has been hard at work talking to relevant authorities regarding the ever-evolving Coronavirus (COVID-19) situation.

Whilst there is no impact to the Shepparton Running Festival at this point, we thought it was important to keep you all informed of our current situation and make you all aware that we are investigating all scenarios as this situation continues to evolve.

The health and safety of our athletes, spectators, volunteers and all stakeholders is paramount to us and we ask that you bear with us as we work through the coming weeks and months.

We will keep you all informed of any material impacts to our Running Festival if they occur in relation to COVID-19, however in the meantime it is all systems go!

So keep fit and healthy, train safe and we look forward to seeing you in August.
